*A bell jangles;
A mind jumps;
A thousand people
walk in circles.
What's your next class?
I don't know
until I get there.*

What's
Oh, I forgot
I'm getting
No, that's my
I graduated
It's a
my grandmother died
It's to protect
when
It's something
I now hold

*that ring?
to tell you
married.
school ring
tomorrow.
family heirloom:
and gave it to me.
my knuckles
I fight.
I earned;
more power.*

*Words are
dried leaves scraping across a road
in a fat wind.
Rings are words;
They symbolize actions,
never supplant them.*

*Where do I fit?
Do I travel in circles?
Am I a ringleader?
Or do I have a ring through my nose?*

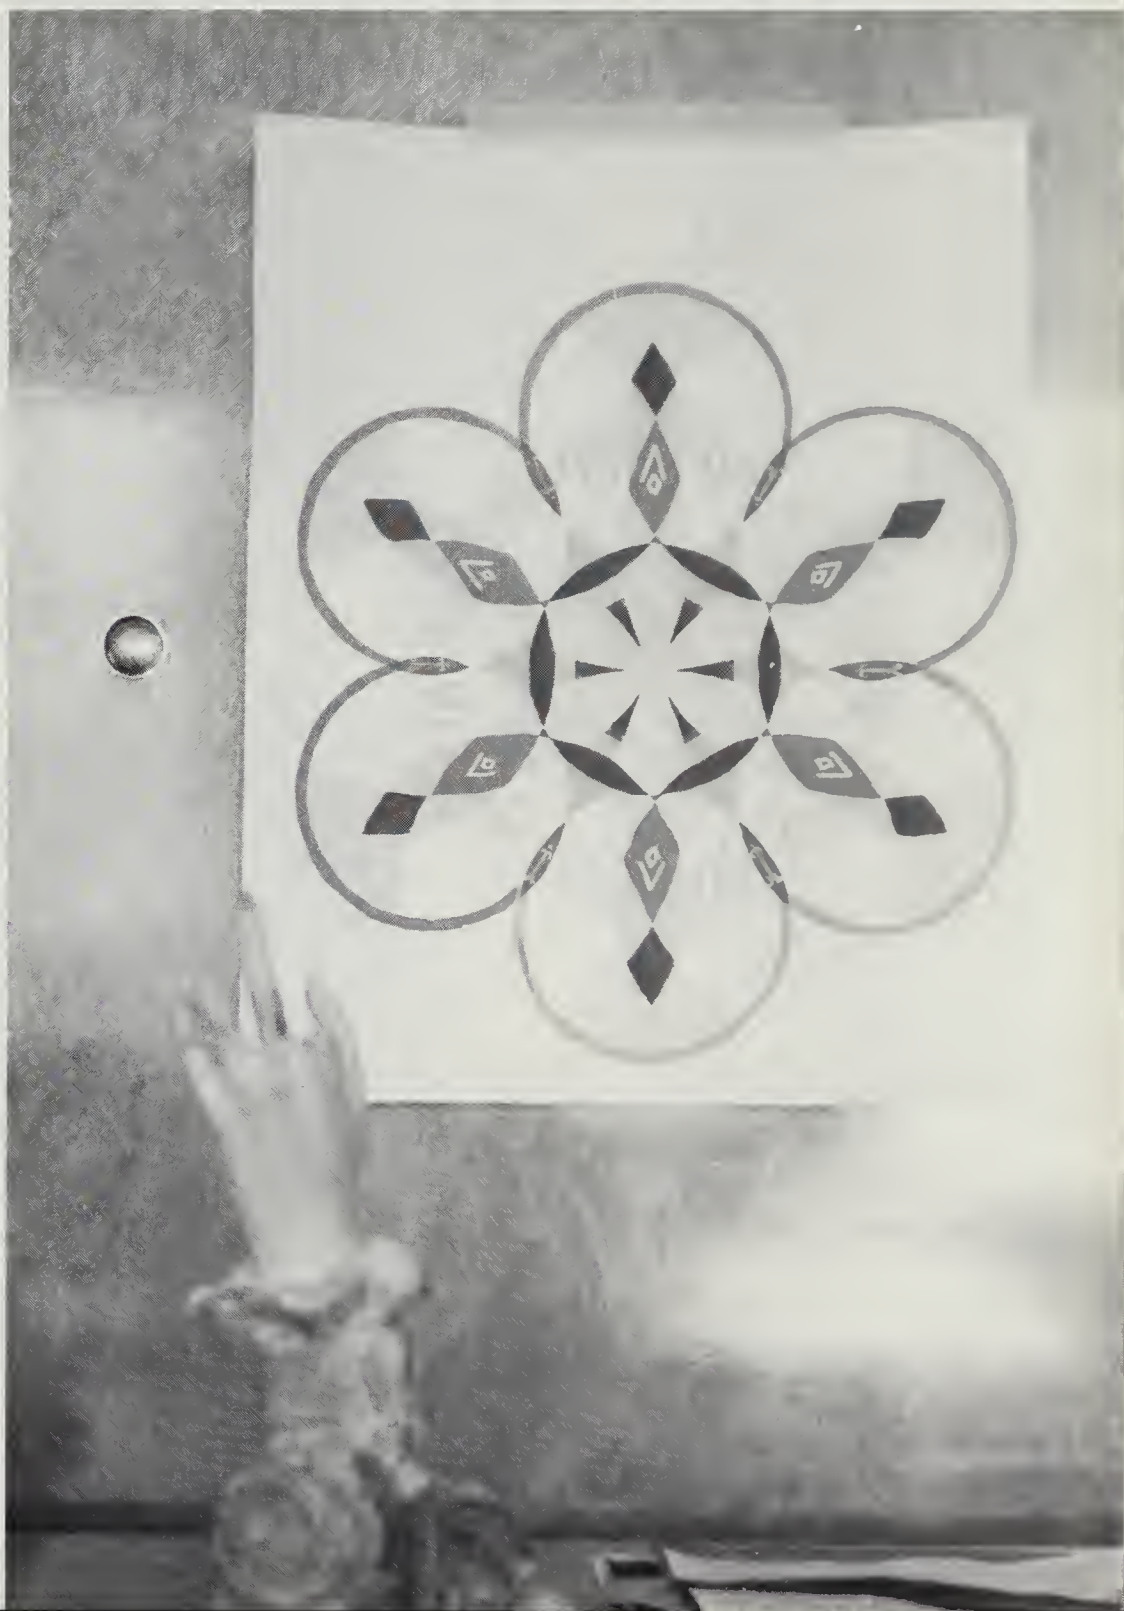

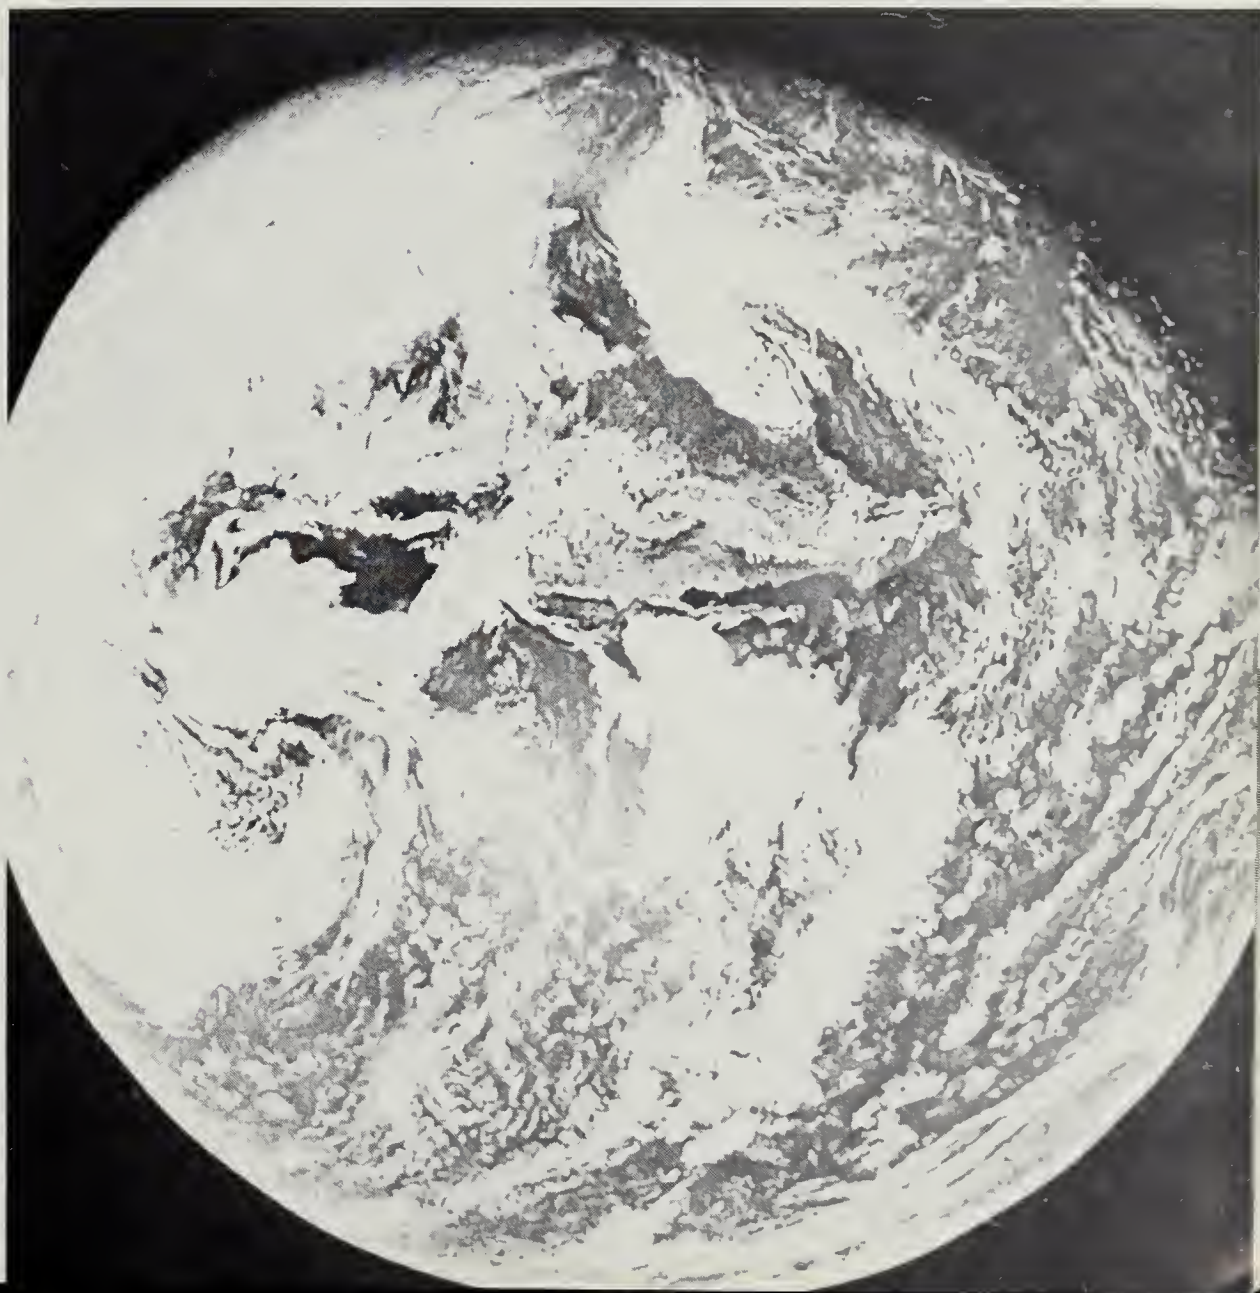

*Am I as tenuous as the morning
frost?
Or am I as solid as a giant tree?
Will I die?
Or will I run rings around everybody?
Fate is Wyrd:
A smuggler's ring,
transporting souls
across discord:
life.*

The diversions!
Smashing, clattering, and yet
ordered.
The sports, the games
Take courage, strength, and intelligence.
Microcosms of life itself.
A boxing ring
on an infinitely larger scale.

*I have a ringside seat at the arena;
The ringmaster cracks a
Tight whip.*

*My voice rings out
in ever expanding circles
My influence is a stone thrown
in a calm lake;
My waves will reach the other
shore:
I will be heard!*

*Rings of Gold, Rings of Fire;
With life yet ringing in my ears
I perceive a bell's knell.*

A few classic plays off the field are worth remembering: "Forward Roll" Tom Murphy; Tom "Stump" Lasordo's immortal "Father Johnson". You who didn't play with us won't get the full significance, but each holds a special place in the minds and hearts of our football team.

A few quotes from the Great One: YO . . . AH! . . . COME ON . . . YOU BETCHA BELIEVE IT!

"The Company that Made
The Paul Revere Bowl
Popular"

"PAUL REVERE" SONS OF LIBERTY BOWL

The original Bowl was made by Paul Revere, a great patriot and skilled silversmith, in the year 1768. Later, an exact replica was ordered by the Fifteen Sons of Liberty whose names were engraved around the original Bowl and it memorialized the vehement protest of the Massachusetts General Court to the Government in London against their oppressive and arbitrary acts. The British ordered our court to rescind their protest but they refused to do so by a vote of 92 to 17. The Bowl was used at every meeting of the Sons of Liberty for many years.

The purchase of the original bowl from a private source was made possible by contributions from school children, private parties and by the Museum of Fine Arts of Boston, Mass. where it is now on public exhibition in the main rotunda.

The famous Bowl has the following inscription on its side. "To the memory of the glorious ninety-two members of the House of Representatives of Massachusetts Bay, who, undaunted by the insolent menaces of the Villians in Power, from a strict regard to Conscience and the Liberties of their constituents, on the 30th of June, 1768, voted NOT TO RESCIND."
